

METER NUTS METER NUT PLUGS

All of the Meter Nuts offered by Richards Manufacturing are available in BLACK, GALVANIZED, or ZINC ELECTROPLATED finishes. If you wish to order a finish other than black please add "-G" to the part number for GALVANIZED, or "-Z" to the part number for ZINC PLATED.

Richards Meter Nut Plugs are also available with PRESSURE TAPS. Please specify the size of the tap and the type of plug when ordering.
