

## O RING INSULATING UNIONS

150-175 lb Working pressure

Insulating unions protect against stray or induced currents to prevent Galvanic and Electrolytic corrosion

### Richards Insulating Unions Feature

- ✓ **Confined O-Ring Seal** make Richards unions reusable, only light torque creates a gas tight seal
- ✓ **Integral Insulation** makes this union easy to install, no loose parts to align or lose
- ✓ **Malleable Iron** nut and body
- ✓ **Nylon Insulation** provides dielectric strength beyond the toughest requirements
- ✓ **Available Black or Galvanized**

PIPE SIZE	BLACK PART NUMBER	GLAVANIZED PART NUMBER
1/2"	IU-1/2	IU-1/2-G
3/4"	IU-3/4	IU-3/4-G
1"	IU-1	IU-1-G
3/4" X 1"	IU-3/4X1	IU-3/4X1-G
1 1/4"	IU-1 1/4	IU-1 1/4-G
